Father, help me to see this holy season of Lent as a time of spiritual renewal, rather than a time of deprivation. Motivate me to reach a new level of experiencing your grace.

## LENT

On Wednesday we celebrated Ash Wednesday with Mass led by Father Dariusz. It was wonderful to see the parents who were able to join us. Thank you to everyone who was involved in preparing the Mass.

Ash Wednesday marked the beginning of Lent. Lent is a time of preparation; a season of repentance, prayer and fasting before Easter. The 40 days of Lent, which precedes Easter, is based on two Biblical accounts: the 40 years of wilderness wandering by the Israelites and our Lord's 40 days in the wilderness at which point He was tempted by Satan.

Each year the Church observes Lent where we, like Israel and our Lord, are tested. We participate in abstinence, times of fasting, confession and acts of mercy to strengthen our faith and devotional disciplines. The goal of every Christian is to leave Lent a stronger and more vital person of faith than when we entered.

## SACRAMENT OF RECONCILIATION

It was wonderful to see so many families at the workshop for the Sacrament of Reconciliation last week. If you were not able to attend the workshop, please make sure you have contacted either the class teacher or myself directly. The Sacrament of Reconciliation will take place on Saturday 23 March at 3pm in St Andrew's Church, Clarkson. Please keep our Reconciliation Candidates in your prayers, as they prepare to receive the sacrament for the first time.

Dear Parents, Children and Friends,

On Wednesday Fr. Dariusz led us in our Ash Wednesday celebration and he was delighted with the way the children participated in the mass. During his homily Fr. Dariusz encouraged the children to listen to their parents and speak nicely to one another throughout the Lenten period. Over the remaining 38 days of Lent please discuss with your children how Lent is a time to reflect and look at ways in which all of us can become more Christ like in our actions and in our words. Starting by speaking nicely and listening to our parents could be the way to start this journey.

Our first Brighton Catholic Primary School Playgroup session will be held this coming Monday 11 March. Thanks to some enthusiastic parents, under the guidance of Playgroup WA, the first session will commence at 8.45am in the Kindergarten rooms and conclude at 10.15am. I think this addition of the BCPSP is a fabulous addition to our school. Thanks to all involved in putting this new initiative into becoming a reality.

The Australian Government through the Department of Education and Training have instructed all schools to seek from the parents and guardians of students to provide their 2019 Student Residential Address and Other information collection notice. A copy of what is expected as outlined by the Australian Government has been attached as an appendix to the newsletter.

Thanks to Mrs. Nicole Bond, Mrs. Fiona McDonald, Miss Dee Campbell and Mr. Jason Baker for organising and running the Reconciliation Workshop last week. Feedback from the workshop was very positive. Thanks parents for bringing your children to the workshop and for your participation. After much preparation and anticipation, the children will receive the Sacrament of Reconciliation on Saturday 23 March at 3.00pm in the St. Andrew's hall. Over the next couple of weeks please keep the children in your prayers as they continue on their journey to receive the sacrament.

The P&F continue to be busy with the children enjoying last Friday's Cake Stall, thanks to the generous families who provided the goodies for the children. Their next treat for the children is the upcoming Sausage Sizzle to be held next Friday 15 March. Order forms for the Sausage Sizzle were sent home earlier in the week and need to be returned along with the money by Tuesday 12 March. The next P&F meeting is scheduled for 8.45am on Tuesday 12 March in the staffroom, all welcome.

Congratulations to the Year 3 children on their outstanding assembly performance last week. It was fabulous to watch and listen to the 'Talk For Writing' concept being demonstrated to the school community. Your ability to remember all the steps involved was super. Thanks to the staff who assisted in the preparation of the children. Congratulations to the Year 4 children on the way you participated in the mass this morning, your prayer responses and singing was a wonderful way to demonstrate your love for Jesus. Thanks to staff members involved in organising the mass. It was lovely to see a number of parents in attendance.

In the first edition of our newsletter this year I said I would highlight one of the 12 Codes that form our school's Code of Conduct. I must apologise as I forgot to put in the information in the last newsletter. In the body of today's newsletter, I have highlighted Code One, 'You act safely and competently'. The Code of Conduct applies to all within our community, parents, staff, children and community members. Please take the time to read the information below and if you would like further clarification please come and ask.

Please note that School Photos will be taken on Tuesday 19 & Wednesday 20 March. Information about ordering was sent home this week.

Harmony Day will be celebrated on Thursday 21 March. Details of how we will celebrate this important day will be sent home shortly via SeeSaw.

Happy International Women's Day to all the special ladies in our community.

God Bless and take care,

James Danaher

# CODE OF CONDUCT

## Conduct Statement 1

### You act safely and competently

#### Guidelines

1. You are expected to put the safety of students ahead of every other relevant but secondary consideration.
2. In doing so, you are expected to act within the scope of your expertise and role within the school community.
3. If the safety and well-being of a student requires skills and experience outside your core competency, you must refer the student to the appropriate expert.
4. You are personally responsible within the context of your position in the school community for the provision of safe and competent student education. It is your responsibility to maintain the competence necessary to fulfil your role. Maintenance of competence includes participation in ongoing professional development to maintain and improve knowledge, skills and attitudes relevant to your role in your school.
5. You recognise that the Principal, staff, parents and students assess your ability to act safely and competently based on your behaviour and decision making, and you do likewise in your assessment of them. You are responsible for conducting yourself in all things such that there is no speculation, doubt or ambiguity that you do so in the best interests of students. You must take reasonable steps to avoid situations where your decisions or behaviour could be interpreted as putting students at risk. You must also notify the Principal as soon as possible if you found yourself in such a position of ambiguity so that you can explain the circumstances.
6. You recognise each student's and their parents' right to receive accurate information; be protected against foreseeable risk of harm; and be involved in and informed about decisions in relation to their education.
7. You perform your role in the school within your professional or industry competency and according to school policies and any standards or codes applicable to your profession or industry.
8. You notify an appropriate person or the Principal, of any information relevant to maintaining student safety and well-being, or any observation of questionable, unethical or unlawful behaviour, including breaches of this Code, and intervene to safeguard the student if the circumstances require it.
9. You ensure that any information you receive relevant to the safety and well-being of students is either acted upon by you in the best interests of the student if you are the relevant decision maker, or passed to the relevant decision maker for them to act.
10. You perform your work in a safe and competent manner that is not compromised by personal health limitations, including the use of alcohol or other substances that may alter your capacity to act safely. If your health threatens your ability to work safely and competently, you have a responsibility to seek assistance to address your health needs. This may include making a confidential report to an appropriate authority.
11. You perform duties in partnership with parents and school staff and in accordance with the standards of your profession or industry (e.g. Teachers Registration Board)
12. You perform duties in accordance with wider standards relating to safety and quality in education and student care and responsibility for a safe school, such as those relating to occupational health and safety, mandatory and critical incident reporting, and participation in incident analysis and formal open disclosure procedures.
13. You make decisions about students based on their age, ability, and in the best interests of the student's sense of security, and physical, social, emotional and mental safety.
14. You seek advice, assistance and second opinions from experts and Principal as necessary.

## For parents/guardians of students:

### 2019 Student Residential Address and Other Information collection notice

This notice is from the Australian Government Department of Education and Training (the department), to advise you that the department has requested that your child's school provide a statement of addresses, in accordance with the Australian Education Regulation 2013 (Cth) (Regulation).

A *statement of addresses* contains the following information about each student at the school:

- Student residential address (**not student names**)
- Student level of education (i.e. whether the student is a primary or secondary student)
- Student boarding school status (i.e. whether the student is boarding or a day student)
- Names and residential addresses of students' parent(s) and/or guardian(s)

Schools generate a record number for each student for the purposes of this collection, which is also provided to the department.

#### Purpose of the collection

This collection is routinely used to inform Commonwealth school education policy, and to help ensure that Commonwealth funding arrangements for non-government schools are based on need, and are fair and transparent.

On 20 September 2018 the Government announced that it will implement a new, improved capacity to contribute methodology used in the calculation of the Commonwealth's needs-based funding arrangements for non-government schools. This follows a review of the existing socio-economic status (SES) score methodology by the National School Resourcing Board. Further information about the review and the Government's response can be found here: <https://www.education.gov.au/review-socio-economic-status-ses-score-methodology>.

The information collected in the *statement of addresses* will be used to refine the new capacity to contribute methodology and may also be used in school funding calculations from 2020.

#### Use and disclosure of personal information

Your personal information is protected by law, including the *Privacy Act 1988* (Cth). Any use and disclosure of your personal information relating to the *statement of addresses* will occur in accordance with the Regulation.

Your personal information may be used by the department, or disclosed to the Australian Bureau of Statistics (ABS), for the purposes of SES score policy development, reviewing SES score methodology, calculating SES scores, Commonwealth school education policy development (including school funding), or where it is otherwise required or authorised by law.

For example, your personal information may be provided to the ABS for statistical and research purposes, which includes data integration projects such as the Multi-Agency Data Integration Project (MADIP). Further information on the MADIP can be found here:

[http://www.abs.gov.au/websitedbs/D3310114.nsf/4a256353001af3ed4b2562bb00121564/9099c77cb979d558ca258198001b27a0/\\$FILE/MADIP%20iPIA\\_2018.pdf](http://www.abs.gov.au/websitedbs/D3310114.nsf/4a256353001af3ed4b2562bb00121564/9099c77cb979d558ca258198001b27a0/$FILE/MADIP%20iPIA_2018.pdf).

The department may, from time to time, carry out audits of school submissions. In the event of an audit, contracted auditors may seek to compare a school's *statement of addresses* with student enrolment information held by the school. These contractors will not use the information for any other purpose.

The department may also be required to disclose your personal information to its service providers, including the Australian Government Department of Jobs and Small Business, for the purposes of the provision of information and communications technology (ICT) support services to the department.

### What do you need to do?

You are not required to do anything. Your school is responsible for providing the requested details to the department, however, you may wish to ensure that your school has the most up-to-date and correct details for your family.

### Contacts for further information

Your school can provide additional information about the process of the address collection.

If you have any further questions regarding the collection, you can contact the department by:

- Email: [seshelpdesk@education.gov.au](mailto:seshelpdesk@education.gov.au)
- Phone (free call): SES helpdesk on 1800 677 027 (Option 4)

The department's privacy policy is available on the department's website at [www.education.gov.au](http://www.education.gov.au). The privacy policy contains information about:

- how individuals can access and seek correction of the personal information held by the department;
- how complaints about breaches of the *Privacy Act 1988* (Cth) can be made; and
- how the department will deal with these complaints.
