Dear Parents, Children and Friends,

Last Friday was a very special and enjoyable day for our school community as we came together first thing in the morning to celebrate All Saints Day Mass. I believe that mass was a lovely celebration of such a special day in the Church calendar. After mass the excitement continued to build as the children set up the stalls for the Mission Fete. From all reports the children had fun and approximately \$1,700 was raised for our sister school in the Philippines. It was wonderful to see Fr Robert, Cindy Reign Apurado, Jim Wood, Monica Orsi and Linda Finnegan from SEEDs who joined us for the Mass. They are continually pleased and thankful for the support that our school community provides them. Pictures of the day's activities can be found on our Facebook page <http://www.facebook.com/brightoncatholicprimary>. Thanks to all involved in organising the mass and the Mission Fete and thanks to everyone who helped out on the day, we are very fortunate to have such a fabulous school community.

This coming Friday is Mr Bradley Barbuto's last day with us, it also happens to be his birthday on Friday as well. Bradley has been working at Brighton Catholic Primary School for the last 5 years and has accepted a position in a remote government Aboriginal school. I would like to thank Brad for the wonderful positive contribution he has made to our school during his time with us and wish him and his family all the best on their new and exciting adventure.

Thanks to the P&F for organising the pie and sushi day last Tuesday, the children really enjoy having something special for lunch a couple of times a term. This Friday the P&F are holding a cake stall for the children. All money raised by such events assist the school, with most of the money this year going towards the resurfacing of the courts which will take place during the holidays. On Friday 15 November the P&F are holding their annual FREE Disco for the children, another super night is planned for the children and the fact it is a free event makes it even more appealing. The next P&F meeting will be held on Tuesday 12 November in the new administration building commencing at 8.40am.

Congratulations to all the children who represented our school with pride at the recent Interschool Athletics Carnival. There were some very impressive performances from a number of children and the way the children supported one another throughout the day was a credit to them. Thanks to the numerous parents who came to support and to Miss Croxall and her helpers who organised and supervised the team.

Next Monday we will be holding a Remembrance Day reflection in the school hall at 10:45am, all welcome.

Take care and God bless,

James Danaher.

SPORT NEWS

Interschool Athletics Carnival

Last Friday students from Years 3-6 represented our school at the interschool athletics carnival held at Ridgewood Park. All the students did an amazing job both on and off the track. It was very pleasing to see not only the athletic ability but also the sportsmanship from our students. I was very proud of you all! Thank you to Renee Ashworth for volunteering her time for the day to help out at the turbo javelin event, your help was very much appreciated

Next Monday November 11th students in Years 3, 4 and 5 will be voting for their 2020 faction captains. Students in Year 5 have nominated themselves and will give a speech to their faction showcasing why they would be a great faction leader. Students must be committed to upholding the responsibilities of their role for their entire time in Year 6. They must be prepared to demonstrate and include the Values of St Francis of Assisi Catholic Primary School in their speech, curricular and extra-curricular activities. Sports Captains and Vice Captains will be given various responsibilities surrounding the sporting life of the school. Responsibilities include but are not limited to leading and organising their factions during carnivals, leading morning fitness sessions, completing weekly inventory checks of classroom sporting equipment and assisting in the cleaning of our school gymnasium. Results will be announced later in the year. Good luck to all the students who have nominated.
